MR. HE LIMING

WELCOME TO THE IFPSM WORLD SUMMIT 2018

IT WILL BE MY HONOUR AND GREAT PLEASURE TO WELCOME YOU ALL TO

THE IFPSM WORLD SUMMIT AND TO THE INCREDIBLE CITY OF HELSINKI ON

WEDNESDAY, 26TH SEPTEMBER 2018.

THE THEME OF THE WORLD SUMMIT is "Procurement in 2020's: Discover the New Role of Procurement", the key note speakers will offer many opportunities for you all to consider new thinking and initiatives to support your own and your organisation's development by learning from colleagues across the world.

IFPSM has partnered with LOGY, the Finnish Association who are a long standing and highly valued member of the Federation, to deliver a unique experience for all delegates and we have structured the event so that you may all enjoy discovering "Three Cities and Two countries in Three days".

In partnership with our fantastic hosts, LOGY, we have also designed a superb social programme which of course is absolutely vital for you to network with your colleagues from within our global profession and share your expertise and knowledge.

This event will allow you to make new friends, while enjoying their company, both professionally and sociably.

The programme and coordination of the World Summit would not have been possible without the dedication of a superb project team and the full support and leadership of LOGY, our hosts.

My personal thanks go to Mr Markku Henttinen the CEO of LOGY and his dedicated team, who together with the Board and Secretariat of IFPSM, will ensure that you enjoy a great conference

and exhibition.

2018 marks the Federation's 45th anniversary, and we now represent 45 National Associations from all the regions of the world with a community network that reaches over 250,000 professional practitioners.

The IFPSM vision is to "Provide international leadership and facilitate the development of the procurement and supply management profession wherever it is practiced through our network of members organisations".

A key component of the IFPSM vision and our strategy to achieve this objective, is the IFPSM World Summit that is now an annual event, where many hundreds of individuals meet to learn and share from each other in a true fellowship of nations and individuals.

I have been deeply honoured to lead the Federation since January 2017 when I was elected as President and wish to publicly re-commit myself to serve you over my three year term of office.

My vision for IFPSM and indeed the whole profession, is for us together, to maximise our individual organisations and indeed our national potential to the benefit of all.

I am very confident that IFPSM will continue to grow and become even more influential within our global profession and also develop new products and services that adds value to our community. ●

THREE CITIES, TWO COUNTRIES IN THREE DAYS

DURING THE WORLD SUMMIT THERE ARE OPPORTUNITIES TO

NOT ONLY EXPLORE HELSINKI BUT ALSO BEAUTIFUL CITIES OF

TAMPERE AND TALLINN, ESTONIA.

IT HAS BEEN MY HONOUR TO SERVE OUR unique network of nations as your CEO since February 2014.

During these four years, the undoubted highlight for me, is when our global community comes together at the IFPSM World Summit.

This year we will meet in Helsinki during September, and our host, LOGY, has developed an amazing programme for us to enjoy and benefit from.

I have been fortunate to experience the wonderful Finnish hospitality in the past, and I can assure you of a very warm welcome by this incredible nation and its people.

During the World Summit there are opportunities to not only explore Helsinki but also the city of Tampere where the Subcontracting Fair will allow us to meet hundreds of potential new suppliers and companies.

Once the formal programme of the World Summit has been completed on Friday, 28th September we can then experience a unique opportunity to continue networking and build on the new relationships that have been developed during the Summit, when we sail to Estonia and visit the capital, Tallinn, returning to Helsinki on Saturday, 29th September.

I know that the IFPSM Board of Directors and I are extremely grateful that so many of you will travel long distances and give up your own personal time to attend this important event and your commitment reinforces our promise to deliver a memorable event.

The World Summit is an amazing opportunity for the profession to meet, engage and learn from each other.

I urge you all to maximise this for your own development and your organisations, by striving to meet new fellow professionals from across the world and engaging with them through the various conference sessions and during the social occasions.

The IFPSM World Summit provides many new and exciting opportunities where our Global profession comes together as one community, annually for the benefit of individuals, organisations and nations.

I look forward to supporting you to maximise this opportunity. ●
